

Gobo Holder

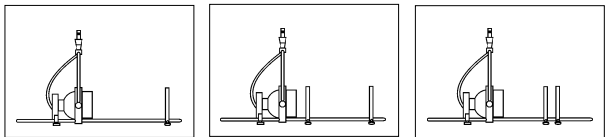

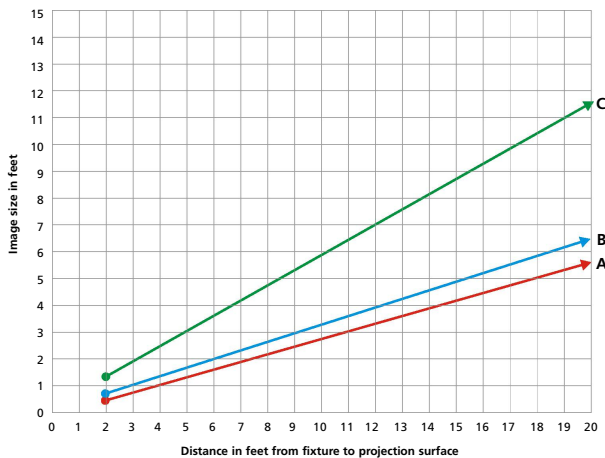

SPECIAL T156 ACCESSORY

Shown approx. 30% actual size.

PROJECTED IMAGE SIZE

A = Gobo Holder Accessory alone
 B = Additional Gobo Magnifying Lens Accessory (sold separately) away from original lens
 C = Additional Gobo Magnifying Lens Accessory (sold separately) next to original lens

DESCRIPTION

Add this gobo holder and a gobo template (sold separately) to the T156 and project a pattern or logo onto any surface. Includes MR16 Snout. See the chart on the following page for the projected image size.

FINISH

Chrome, satin nickel.

LAMP

Low-voltage Halogen MR16 lamp up to 75 watts (12-15° lamp recommended, not included).

USAGE

Use with T156 head and a gobo (required, sold separately). The gobo holder accepts a glass or metal gobo with an outside diameter of 54 mm. The image itself must have an overall diameter not to exceed 27 mm. Contact Tech Lighting customer service for gobo ordering information.

ACCESSORIES

An additional Gobo Magnifying Lens (sold separately) may be added to increase image size.

WEIGHT

0.20 lb./0.10 kg. ±
